Get the most out of Glee with Landscape Trades

Experience Glee, the renowned UK green industry trade show! This vibrant show, featuring over 1,700 exhibitors, covers all sectors of the garden and leisure business.

Glee is the world's largest annual international trade event for the lawn and garden business. From tools and pottery to landscaping and water gardening, you'll find thousands of products that will excite and inspire you! Plus, you'll travel and share ideas with your colleagues from across Canada in this special group tour.

Added bonus: pre-show Garden Centre Tour. Visit four or five leading UK garden centres before the show – an opportunity guaranteed to broaden your retailing horizons. Then see Warwick Castle, Britain's greatest mediaeval experience!

Experience Glee – with Landscape Trades!
