

**Certified Horticultural Technician - Interior
Exam Registration
March 30, 2006
Landscape Ontario, Milton**

Indoor plants are hot! Interior designers, retailers, building maintenance professionals and independent plant contractors all report great interest and opportunity in this growing field. This is your chance to get a respected credential for a great profession!

The CHT Interior exam is a four-hour, 260-question written exam. Topics include plant identification, pesticides, fertilization, insects and diseases and customer relations.

**The exam will be given on March 30, 1-5 p.m. at Landscape Ontario (7856 Fifth Line S, Milton).
Reserve your spot by sending in this application form today — get certified!**
