

Taking horticulture to the next level

BECOME A CERTIFIED LANDSCAPE DESIGNER

This workshop will outline the requirements for the **CLD** program, including required work and educational experience, the portfolio review process and the **CLD** program itself. There will be particular emphasis on the elements that should be included in your portfolio, with the balance concentrating on overall design principles. Particular attention will be paid to landforms and various aspects of site grading.

CLD Workshop: October 17, 2006 (1 - 5 p.m.)
Location: RA Centre, 2451 Riverside Drive, Ottawa
LO members: \$60.00 (includes GST)
