# The New Landscape

Motivated by a commitment to create significant and lasting public and private spaces, Janet Rosenberg (OALA, FCSLA, ASLA, IFLA) has been dedicated to exceptional design since 1983. As founder and principal of the award-winning firm Janet Rosenberg + Associates Landscape Architects and Urban Designers, Janet has continued to push the boundaries of Landscape Architecture in North America, earning her reputation for innovative and cutting-edge design. Janet and her firm are currently engaged in an exciting range of residential, commercial, and public projects that are linked by an excellence in sustainability and design, and are re-shaping urban landscapes across Canada. Recent projects include: *HtO*, Toronto's new urban beach; *Landmark Park*, an urban plaza for the Town of Markham; and *Light Forest*, the redevelopment of the Portage and Main intersection in Winnipeg. 'The New Landscape' will look at Janet Rosenberg's vast experience in the field of landscape architecture, and will examine how her body of work demonstrates emerging trends, technologies, construction methods, and environmental sustainability. The New Landscape is a must-attend event for landscape architects, landscape professionals, and gardening and design enthusiasts alike.
