The annual Lecture Series is a gathering of landscape architects, designers, contractors and other industry professionals. This special evening is an excellent platform for sharing information and exchanging ideas.

Featured Speakers:

Phil Charal, principle of **Allweather Landscape Co. Ltd.**, is a complete landscape design and construction firm specializing in residential landscape development projects. Allweather employs stone masons, carpenters, horticulturalists, machine operators and designers. Phil has co-chaired Canada Blooms, chaired the Landscape Contractors' Commodity Group, and is currently on the Landscape Development Board of Directors, serving as the provincial representative for the landscape contractors. His firm has been the recipient of numerous industry and association awards. Phil's work has been featured in several magazine, newspaper and industry trade articles, and Allweather has been featured in several garden television shows.

Sheila Murray-Bélisle, **Bélisle/Murray, Landscape Architects** works with her husband, Jim Bélisle, who is an architect and landscape architect. They specialize in residential and urban design and create individual books for each client. Sheila also worked for the Town of Crested Butte, Colorado where she was the Town Planner and Landscape Architect responsible for all physical design and site planning. Sheila has also been the recipient of awards in both writing and design. Television shows focusing on her work include *CBC Prime Time News/Peter Mansbridge: Homeworks/Lynette Jennings, Arts and Entertainment Couples Who Work Together*, *Design: Garden Architecture*, *Guerilla Gardener & Design For Living*. Sheila's own garden was chosen for *The 200 Best Gardens in Ontario* and her work has been published in various magazines including *Gardening Life*, *Canadian Gardening* and *Canadian House & Home*. Sheila is currently writing a book on Landscape Architecture in Canada.
