

Workshop/Exam Application

March 26th, 2007

Milton, ON

Workshop: 8am - 1pm

Exam: 2pm - 5pm

The workshop will outline the requirements for the CLD program, including required work and educational experience, the portfolio review process and the CLD program itself. There will be particular emphasis on the elements that should be included in your portfolio, with the balance concentrating on overall design principles. Particular attention will be paid to landforms and various aspects of site grading.

Candidates are also encouraged to consider design related professional development seminars to aid in preparation for the CLD exam. To view the professional development guide visit **www.horttrades.com**, under 'Professional Development'.
