## THE GREEN FORUM 2009 SPONSORSHIP OPPORTUNITIES

**Launched in 1995, Communities in Bloom is a Canadian non-profit organization committed to fostering environmental responsibility, civic pride, beautification and quality of life through community involvement and the challenge of a national program.**

With hundreds of participating communities across Canada, and international partnerships with similar organizations around the world, Communities in Bloom is an established leader in the promotion of green spaces, landscaping, urban forestry and environmental responsibility for healthy, sustainable communities.

In partnership with **Landscape Ontario, Project EverGreen** and the **Canadian Nursery Landscape Association**, Communities in Bloom is proud to introduce the Green Forum at Congress 2009, putting its network of municipal leaders and green space professionals in contact with suppliers of leading edge green products, services and initiatives.

**As a leader in matters of environmental solutions, responsibility and innovation, be part of the 1<sup>st</sup> Edition of the Green Forum and enhance your position as a key player in the green industry!**
