

Are you  
 smart *about* salt.® ?

Invest your  
time for  
peace of mind

If your records could protect your business, would it be worth it?

# Atlantic Blue Crab

# GET A GRIP ON SNOW AND ICE

*Give winter  
the boot!*

While salt can make winter safer, it's only part of the answer. Do your part. Protect yourself from slips and falls by wearing sturdy footwear designed for snow and ice.

For tips on getting a grip on winter, go to [smartaboutsalt.com](http://smartaboutsalt.com)
