SUPPLEMENTARY SHOW GUIDE LISTING FORM

Increase traffic to your booth and save buyers and decision-makers time by adding listings for the companies, products and brands for which you have **exclusive distribution rights**.

All exhibitors are entitled to a complimentary listing in the Garden Expo 2015 Show Guide. Should your company have **exclusive distribution rights** for various brands then you may have up to ten Show Guide Supplemental Listings for the companies that you represent exclusively in the North American Market.

Additional companies are listed with your company booth number plus an alpha designation (A through J), to help attendees locate them.

Ensure that all of the exclusive brands that you represent receive a listing. Complete the *Supplementary Show Guide Listing Form* and return it by facsimile **905-875-3942 no later than August 10, 2015**. Landscape Ontario will not assume responsibility for those companies listed who are not represented exclusively. It is the sole responsibility of the exhibitor to ensure those listings are included.
